Dear Mr. McCann:

This confirms our understanding with respect to the tentative agreement of this date that would resolve our respective bargaining notices served on or subsequent to November 1, 2019 ("Tentative Agreement or TA").

If the railroads in national handling collectively enter into a voluntary and ratified national agreement ("New Agreement") to resolve the national notices served on or after November 1, 2019 with any labor organization that provides, in the aggregate, materially greater overall economic value to the employees represented by that organization than is provided for in the report of Presidential Emergency Board No. 250 with respect to that craft, ATDA may request that the same value, measured on a GWI-equivalent basis, be added to the Tentative Agreement in a manner to be determined by the parties.

If the President of ATDA believes that a New Agreement has potentially triggered the understanding in this letter, he shall, within 30 days of the date such New Agreement is ratified, provide prompt written notification to the Chairman of the NCCC, and the national parties shall confer within fifteen (15) calendar days to discuss further handling of the matter. Any disagreement between the parties regarding the interpretation or application of this understanding shall be resolved through final and binding party-paid arbitration.

This agreement shall be non-precedential and shall not be referenced in any forum except for the limited purpose of enforcing its terms. This agreement shall expire and have no further effect with respect to a national agreement reached by another labor organization 30 days after the date that the applicable national agreement is ratified.

Please acknowledge your agreement by signing in the space below.

Very truly yours,

Brendan M. Branon

Dear Mr. McCann:

This letter will serve as clarification of the application of the additional paid time off day described in Article IV of the national agreement for new hires. We agree that employees hired on or before September 30 of a year will have access to the additional day of paid time off in that year.

The carriers will offer a reasonable means and a reasonable time period for these newly hired employees to elect from among the three options for using the day that are described Article IV, items (a)-(c) of the national agreement or, in the absence of the employee electing one of the three options, the additional paid time off will be provided under option (b).

Mr. F. Leo McCann

Dear Mr. McCann:

This confirms our understanding with respect to PEB 250 recommendations that requires each employee to contribute to the Health and Welfare Plan. For each month that the employer is required to make a contribution to the Plan on the employee's behalf for foreign-to-occupation health benefits coverage for themselves and/or their dependents, a monthly cost-sharing contribution by the employee shall be made in an amount equal to the lesser of 15% (fifteen percent) of the Carriers' then current Monthly Payment Rate or a frozen cap of \$398.97 (three hundred ninety-eight dollars and ninety-seven cents) for the year 2025 and each year thereafter until a new ATDA National Agreement is negotiated and ratified (at which time the full 15% employee contribution rate is reinstated unless otherwise agreed).

If the negotiations for that National Agreement result in retroactive wage increases applicable for the period that the parties are in negotiations and the employees' monthly contribution to the Health and Welfare Plan would have otherwise exceeded the cap above with annual indexing in the involved years, retroactive application will also be applicable to those contribution increases.

This arrangement shall not be cited in future negotiations under Section 6 of the RLA (up through and including a Presidential Emergency Board or interest arbitration) as a reason or justification for any future increase in compensation or limit or reduction in employee health care contributions.
